

ADVENTURE TEAM

Founded in 2014, 906 Adventure Team empowers youth to become the best version of themselves through outdoor adventure and community building. Currently, our 15 Adventure Teams throughout the Midwest are creating opportunities for youth aged 5 to 17 to connect with nature and improve their physical and mental health, while fostering a sense of belonging and responsibility. In 2025, our programming will impact more than 1,300 youth and 550 adult volunteers in those communities.

At Adventure Team, we welcome all skill levels for our youth and coaches. Girls and boys of all abilities ride together, coached by women and men of all abilities who lead together. This approach allows youth to learn and grow with their peers, while providing an opportunity for youth and coaches to support each other, building stronger communities.

Our Adventure Teams provide youth and adult coaches the opportunity to access the transformative power of outdoor adventure and learn how to integrate healthy habits into their daily lives. Be a part of our Adventure Team family and create positive experiences that build stronger, healthier, and more connected communities. Join us in our mission to help our youth thrive in a challenging environment so they can learn and grow as they prepare for the ultimate event – LIFE.
