 - *Think outside the box!*

The SEF will award up to \$50,000 in CLASSROOM, HEALTH & WELLNESS and TRANSPORTATION grants this year!

- **Easy Process:**

1. Fill out your grant application found here:
<https://www.spartaschools.org/resources/sef/grants/grant-forms/>
2. Applications are automatically submitted to your building administrator first, then onto the superintendent and then received by the SEF
3. Grants are reviewed by the Grants & Scholarships Committee - 4x annually!
4. Grants are awarded and money is available right away for your use!
5. Grantee must complete a Grant Accountability form along with submitting copies of paid receipts and photos or videos with a few sentences summarizing the grant and how it benefited students to sef@spartaschools.org
