Food Services Newsletter
November 2026

Throughout November, we're kicking off our exciting new **Wrap N Roll** promotion! We'll be featuring delicious wrap sandwiches paired with tasty, complementary sides to bring bold flavors, creative combinations, and a little extra excitement to our school cafeterias!
This is a great opportunity for students to **explore new flavors, try something different, and discover new lunchtime favorites!**
But the fun doesn't stop there! 🎉 Our Food Service teams will be hosting **contests, raffles, and taste-testing events** as we head into the winter months.
Stay tuned for delicious surprises and plenty of fun. Let's WRAP, ROLL & TURN UP THE TASTE! 🌯

Our Voice Matters! 🍎
At Sparta Area Schools, we're always looking for ways to make school meals even better! We've partnered with **Chartwells K12** on the nationwide **School Meals Report Card Survey**, giving students, parents, families, and staff the opportunity to share their thoughts about our school meals.
The survey takes just a few minutes, is **completely anonymous**, and collects no identifying information.
📅 **Survey Open: October 12 – November 6, 2026**
📣 **Don't miss your chance to share your feedback!**
simply scan the QR code to take the survey!
Together, we can make school meals even better! ❤️

Step Right Up for a Week of Fun! 🎪
Our cafeterias were full of excitement as we celebrated National School Lunch Week, October 12–16! From fun activities and special treats to exciting prizes and delicious meals, our food service teams brought the **Cafeteria Circus** to life! Thank you to everyone who helped make this week a BIG TOP success!

Michigan Apple Crunch Celebration

What an APPLE-SOLUTELY AMAZING celebration! 🍎🎉
This October, students and staff at Sparta Area Schools came together to celebrate **Michigan Apple Crunch Day** and Farm to School Month!
🍎 **2,102 Students & Staff Crunching Together!** 🍎
At **Sparta Area Schools, an incredible 2,102 students and staff joined together for one BIG CRUNCH!** At ECC and Ridgeview, students crunched together in their classrooms as their principals led the countdown over the morning announcements. Our high school students also joined in the fun, crunching together during class!
At **Appleview**, students took the celebration to the next level by forming **GIANT HUMAN APPLES!** ❤️🍎 What an incredible sight and a fun way to celebrate teamwork, school spirit, and Michigan agriculture! Students enjoyed delicious, locally grown Michigan apples while celebrating the importance of supporting our local farmers and making healthy food choices. A huge **THANK YOU** to our amazing students, teachers, principals, and staff for helping make this event such a memorable success!

Global Eats- Next Stop: ITALY!

Ciao, Italy! 🌍✈️
This November, our Global Eats program is taking students on a delicious journey to **Italy!** Get ready to explore the rich, comforting flavors of Italian cuisine, featuring savory herbs, zesty tomato sauces, delicious cheeses, and classic Italian favorites! From pasta to pizza and beyond, we're bringing a taste of Italy straight to our school cafeterias.

FUN FACTS:
*Italians eat 60 pounds of pasta per person per year.
*Italy produces over 3 tons of pasta each year.
*There are over 350 varieties of pasta.
*Mozzarella Cheese can come from cows, buffalo, sheep, or goat.
